# Tōji National Treasure Five-Story Pagoda

Original Papercraft

## [Assembly Manual]

### Tools

- Adhesive (polyvinyl acetate glue is recommended)
- Tooth pick (to apply the glue on the margins to paste)
- Tweezers (useful to assembly the small parts)

### How to Assemble

Read carefully the assembly manual and follow the building procedure. Paste the margins carefully and one by one.

About the instruction on the net

Mountain fold. Fold the paper along these lines downward behind the rest of the sheet.

Valley fold. Fold the paper along these lines upward and toward yourself.

Please paste together the margins with the circle of the same color.

### Warnings

Keep out of children's reach during and after the building. The tools used for the assembly and the small parts could be dangerous.
